DIGITAL CONTRACT SAMPLE

An agreement between students and caregivers to help facilitate an open line of communication and expectations regarding online safety.

Sample Student Responsibilities:

1. I will be respectful online. I will not send or respond to hurtful messages.
2. I will alert my caregiver immediately upon receiving suspicious messages or when I see anything that makes me feel uncomfortable.
3. I will keep personal information private (name/address/age/school/photos) while online.
4. I will not take or share inappropriate pictures of myself or others.
5. I will not change or disable settings/passwords applied by my caregiver.
6. I will give my digital devices to my caregiver when asked because I recognize it is their job to keep me safe.
7. I will keep my digital devices charged and answer/reply when you contact me.
8. I will practice digital etiquette such as turning off, silencing, and putting my phone away when speaking to others.
9. I will get permission before downloading apps or using new websites.
10. I will only use digital devices during times set by my caregiver.

Sample Caregiver Responsibilities:

1. I will listen to you when you confide in me about things that happen on your device, even if it is uncomfortable.
2. I will support you when you alert me to alarming messages or content.
3. I will monitor your device usage because it is necessary to keep you safe.
4. I will be understanding when you make mistakes.
5. I will model appropriate digital expectations including not using devices while driving and being considerate of others.
6. I will set age-appropriate parental settings on all digital devices.
